

# AZULEN BALEA

Gurme Diez

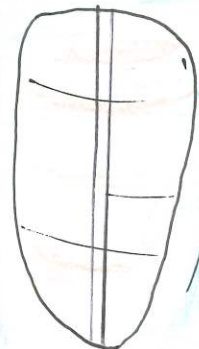

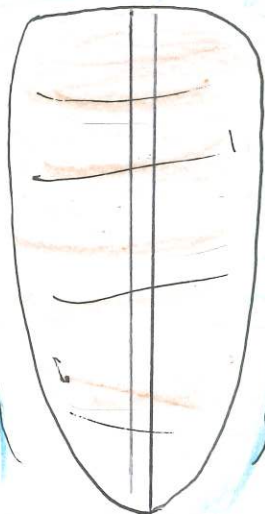

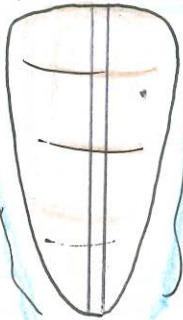

Kaixo! 190leko maiatearen  
Hau Bizkaiko golkoan harapatutako  
asken balea naiz eta horregatik  
Onioko balea bezala itendato  
zidaten. Hau da nire istorioa.

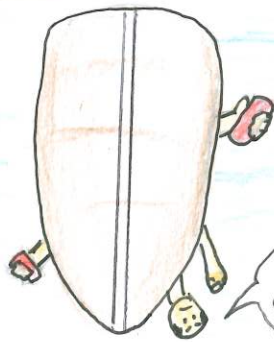

Duela 122 urte

Non daude  
baleak?

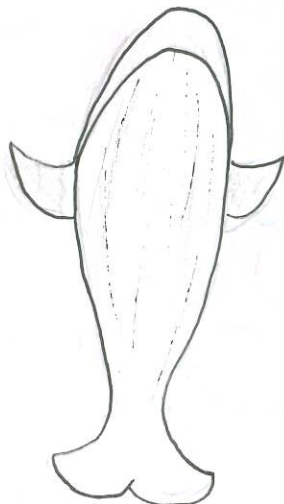

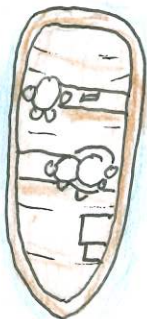

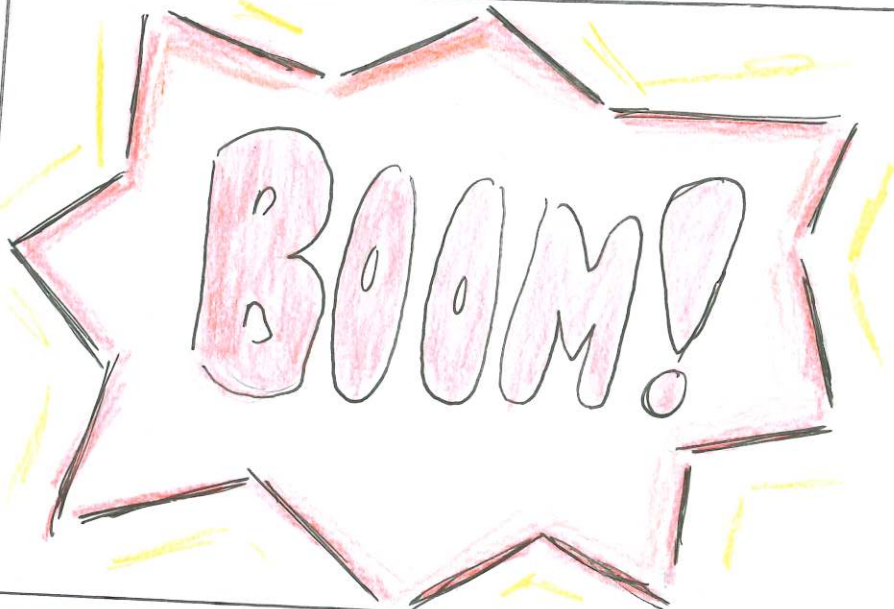

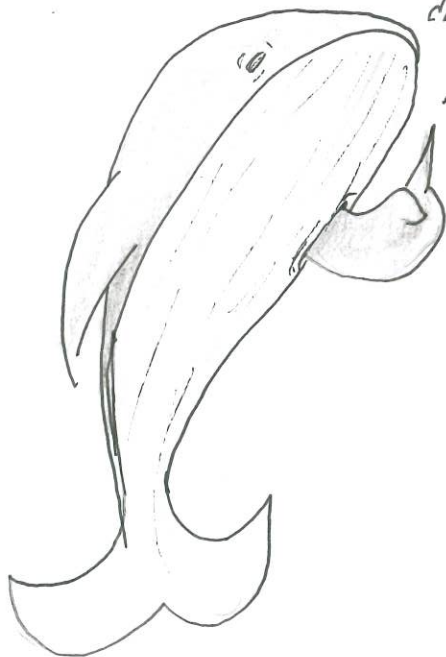

Berriro  
arrantzealeak!

Hor  
dago!

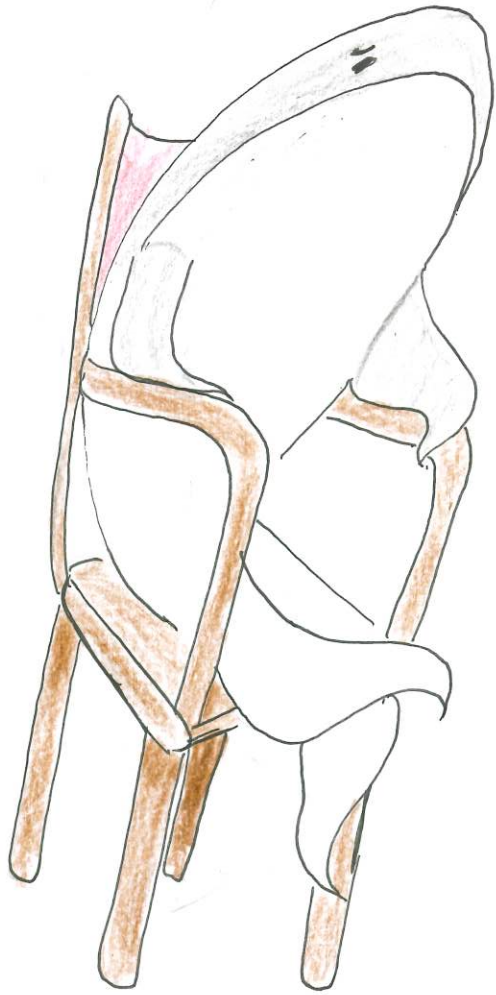

Et zuten  
asporik horregatik  
dinamita erabili  
zuten.

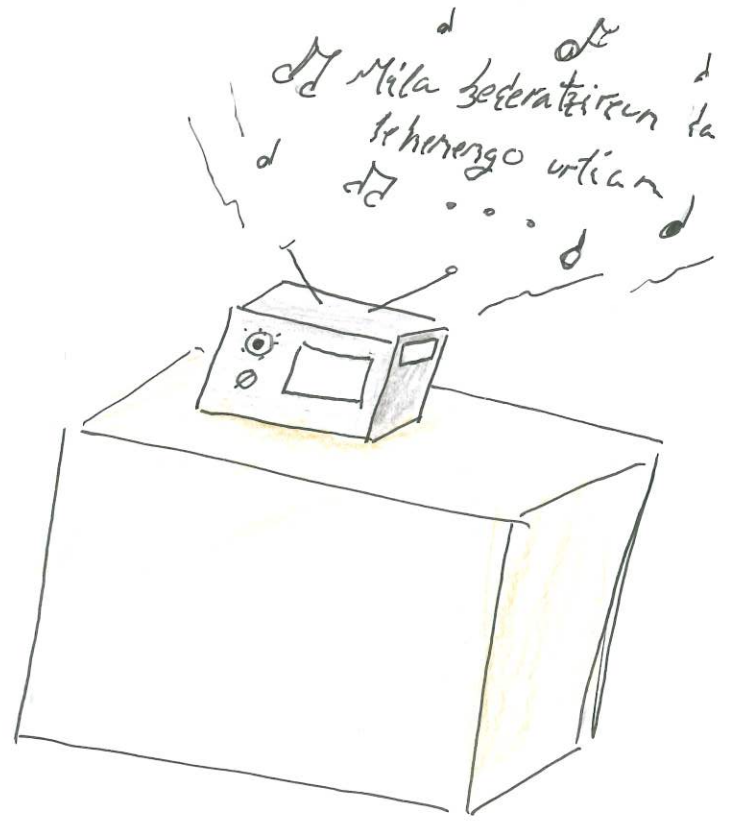

Eta hori  
izan zen  
nire  
amaiera

Orain badakizue nondik  
catorren abesti hau.

Bai, Berito Lertxundiren  
abesti hori nitez ari zen.
